Concrete & Infrastructure Specialist

Pocomoke City, Maryland – "The Friendliest Town on the Eastern Shore"

Building Stronger Streets. Improving Our Community. Making a Difference.

Are you a skilled, hardworking individual who takes pride in quality craftsmanship and improving public infrastructure? The City of Pocomoke City is actively seeking a motivated Concrete & Infrastructure Specialist to join our Public Works Department and assist with maintaining and improving our streets, sidewalks, and public spaces. This is more than pouring concrete — it's about building a stronger Pocomoke City. Our Public Works team plays an essential role in improving neighborhood safety, enhancing accessibility, and maintaining the infrastructure our residents depend on every day.

Key Responsibilities:

- Prepare, pour, level, and finish concrete for sidewalks, curbs, and gutters.
- Construct and repair concrete forms and surfaces.
- Assist with street, sidewalk, and infrastructure maintenance projects.
- Operate and maintain concrete finishing tools and construction equipment.
- Follow established construction specifications and workplace safety procedures.

Minimum Qualifications:

- Experience in concrete finishing, construction, or a related skilled trade.
- Knowledge of concrete mixing, forming, pouring, and finishing techniques.
- Ability to operate construction tools and equipment safely.
- Valid driver's license with a satisfactory driving record.
- Ability to perform physically demanding work in varying weather conditions.

What We Offer:

- Competitive salary based on skills and experience.
- Comprehensive health, dental, and vision benefits.
- Enrollment in the Maryland State Retirement and Pension System.
- Paid vacation, sick leave, and holidays.
- Training and professional development opportunities.
