Wastewater Treatment Plant Operator

Pocomoke City, Maryland – "The Friendliest Town on the Eastern Shore"

Protecting Public Health. Preserving Our Environment. Making a Difference.

Are you a skilled and detail-oriented professional looking for a rewarding career in public utilities? The City of Pocomoke City is actively seeking a dedicated Wastewater Treatment Plant Operator to join our Public Works Department and help maintain the safe and efficient operation of our wastewater treatment facilities. This is more than operating equipment — it's about protecting public health and preserving our natural resources. In Pocomoke City, we take pride in providing reliable wastewater services that support the well-being of our residents and the long-term sustainability of our community.

Key Responsibilities:

- Operate, monitor, and maintain wastewater treatment equipment and systems.
- Conduct routine inspections, collect samples, and perform operational testing.
- Maintain accurate records of treatment processes and equipment performance.
- Perform preventive maintenance and assist with equipment repairs.
- Ensure compliance with applicable environmental and safety regulations.

Minimum Qualifications:

- High school diploma or equivalent.
- Maryland wastewater treatment operator certification appropriate to the facility, or ability to obtain required certification within an established timeframe.
- Basic mechanical aptitude and ability to operate specialized equipment.
- Valid driver's license with a satisfactory driving record.
- Ability to work independently, respond to emergencies, and follow safety procedures.

What We Offer:

- Competitive salary based on qualifications and experience.
- Comprehensive health, dental, and vision benefits.
- Enrollment in the Maryland State Retirement and Pension System.
- Paid vacation, sick leave, and holidays.
- Opportunities for certification, training, and professional advancement.
